\$100* +(\$30 materials fee for beginners)

Explore the world of soft pastels!

Come join Kim Werfel, award-winning pastelist, as she explains her approach to developing a pastel painting. Students will warm-up with exercises to get the feel of pastel application and how colors react with each other according to their temperature, value and intensity.

Paint along with supplied photos as Kim demos and shares hints and tips with handouts for successful painting.

A morning and afternoon project is planned with individual attention to help answer all your questions. For Beginner to Intermediate students.

***Beginners: \$30** materials fee for a set of 24 pastels, small pad of pastel paper, eraser, backing board, sanded board, and tracing paper. I will have masking tape, latex gloves, baby wipes and paper towels available, but you may want to bring your own, and a smock or your “painting clothes”.

***Experienced students** may opt out of the Materials fee by bringing their own larger pastel sets, paper (Canson for quick exercises, and 8x10 or 9x12 sanded paper/boards of choice for your final pieces), kneaded eraser, tracing paper, masking tape, a 14x18 backing board to tape your paper onto, baby wipes, paper towels, small rag, a smock and a smile!
