Dear Artist,

Thank you for your interest in joining Cary Gallery of Artists. CGA is a nonprofit organization operating as a cooperative of artists who contribute equally to the operation of the gallery. We strive for professional representation of high quality 2-D and 3-D original art work by our member artists.

As a member of this diverse cooperative community of artists, you gain support for your personal artistic growth, valuable networking opportunities, exposure to a variety of clientele, skills in various aspects of gallery operations, and you keep more of the sales price of your work in your pocket.

Our member year runs from mid-August to mid-August. We have full and half display space memberships. The full rate is \$734 per year and the half is \$419 per year, payable upfront. This fee is prorated for midyear openings. Our sales commission is 20% to cover operating expenses. All members are required to work in the gallery a minimum of 7 hours per month. This may be completed in one full day or two half day scheduling blocks. Also, members are required to be an active contributor to the functions necessary to run this business including committee work such as Events, Display, Marketing, Operations, etc.

The first step in the application process is submission of the attached application and documentation. In step 2, we will acknowledge receipt of your documentation and provide instructions for the submission of 10 digital images of your work. By request, the third step is the submission of five (5) samples of artwork to be brought to the gallery for jurying by the members.

We accept applications with \$20 processing fee (applied to dues when accepted for membership) throughout the year to be kept on file for midyear and member year openings. Midyear openings are filled as needed. Member year openings are filled as follows: receipt of applications by July 1, interviews and artwork reviews during July, notification of review results by August 1, payment in full to accept membership within seven days of approval.

If you have any questions you may contact our membership chair, Elda Hiser via our website: carygallery@bellsouth.net.

Thanks for your interest! Keep this page for your reference.
